

COMMANDER

T.D.R. TORCH & DRILL RESISTING SAFES

for the security conscious

ALL CMI SAFES COME WITH A FIVE YEAR WARRANTY, EXCLUDING FREIGHT AND TRAVELLING, WITH A 12 MONTH WARRANTY ON LOCKS.

CMI COMMANDER T.D.R.: The design of the safes and materials used provide defence barriers resisting to:

- **Oxy-Acetylene attack**
- **Drills and abrasive grinders**
- **Explosives and force**
- **Pneumatic and hydraulic tools**

The CMI Safe Co. has been designing, manufacturing and servicing safes throughout Australia for over 50 years. CMI Safes are used by all State and Federal Governments and many of Australia's leading National Companies.

BODY: The body gives a minimum thickness of 90mm of high density refractory material bonded between inner and outer walls of specially reinforced steel to become a complete monolith.

DOOR: Total thickness 180mm including a defensive slab section of 100mm thick and contains alloy which has a proven record of outstanding resistance to all forms of attack as mentioned above.

BOLTWORK: Heavy 32mm bolts provide 4 way locking into reinforced sections of the 2 sides, top and bottom of the safe body.

INSURANCE COVER: Insurance surveyors have suggested **\$100,000** as a realistic rating of overnight holding of cash and valuables in an unsupported situation.

OPTIONAL: 115mm high lockable roll-out drawer can be provided to secure in the bottom of Commander safes at additional \$

ANCHORING: 2 x 20mm recessed holes are provided in all models for anchor mounting to floor.

MODEL CR4

LOCKING: A high quality combination lock with 100,000,000 variations is supplied. Changes to the combination are easily made by Commander safe owners. A special glass-activated relocking device and mechanical relockers are provided within the door. A six-lever keylock is also fitted as standard equipment. Each lock can be used independently from the other. Any chosen electronic or duress alarm system can be added to the safe if required.

FINISH: CMI Commander safes are available in attractive enamel durable finishes to suit office or home. Satin finish handles, locks and fascia panels complement the high quality appearance.

INTERNAL FITTINGS: All models come standard with two adjustable shelves.

FIRE RESISTANCE
The Commander safe has been designed to be fire resisting for one hour
