

SPIKA GUN SAFES

NEW and improved Spika safes are here. Designed for strength, ease of use and appeal. The new Spika safes have a reinforced door with a 6mm door edge giving it great strength and resistance to prying and unlawful entry.

Spika safes are at a great price with an expensive finish. Which includes,

- Full lining of the interior of the safe.
- Magnetic push light with batteries so you can see all you need to for those early mornings hunts.
- Single key to the main door for quick entry.
- Pre drilled bolt down holes.
- Durable powder coated finish.
- External ammunition compartments for greater space (The S3T has a extra large ammunition compartment. Size 500H x 360D x 520W)
