

Guardall

DRUG SAFES

The Guardall range of Drug Safes complies with all current Australian Health Department rules, including the strict Queensland requirements, making the Guardall Drug Safes suitable for use in all States and Territories.

All Guardall Drug Safes are fitted with a German made six lever pick resistant lock to ensure compliance to the strict rules for storing drugs, they can also be ordered with an electronic digital lock for ease of use and audit trail of who and when the cabinet was accessed.

Guardall Drug Safes all have fully adjustable shelves to make the most of the useable space, they also have holes for mounting in the base and rear of the unit to secure the unit firmly to both wall and bench top. All Drug Safes are finished in a high quality durable paint for years of hard wear and tear, and with 8 different sizes to choose from, there is one for every business.
